Experience

Operations Lead

Bullet-Then-Paragraph Corp, Toronto, ON - 2022 - Present

- Directed daily operations for a 40-person distribution center.

This included direct oversight of receiving, inventory accuracy audits, and last-mile carrier coordination across the western region.

Project Coordinator

Bullet-Paragraph-Bullet LLC, Ottawa, ON - 2020 - 2022

- Coordinated cross-functional project timelines for six concurrent client engagements.
- Client feedback consistently cited responsiveness and clarity of weekly status reporting as a key differentiator.
- Reduced average project delivery time by two weeks through improved intake screening.

Field Representative

Paragraph-Then-Bullet Group, Hamilton, ON - 2018 - 2020

Represented the organization at regional trade events and partner site visits throughout the fiscal year.

- Logged and triaged over 200 partner inquiries with a same-week response rate above 90%.

Regional Manager

Subheading-Bullet Holdings, Kitchener, ON - 2015 - 2018

Key Initiative: Regional Onboarding Redesign

- Piloted a redesigned onboarding curriculum across four branch locations.

Senior Analyst

Wrapped-Continuation Partners, Waterloo, ON - 2012 - 2015

- Owned monthly variance reporting for a \$40M operating budget across five cost centers, flagging anomalies to finance leadership before the quarterly close.

Program Analyst

Multi-Continuation Alliance, Guelph, ON - 2010 - 2012

- Managed data collection for a multi-year regional impact study spanning four provinces.
- Findings were later cited in two provincial policy briefings on youth employment outcomes. The study also informed a follow-on funding request that was ultimately approved.

Projects

Fleet Routing Optimizer

- Built a routing optimizer that cut average delivery time by 12% across the pilot fleet.
- Adoption expanded to two additional regional fleets within the same fiscal year.

Awards

Regional Service Excellence Award, 2021
